**RE: VOCATIONAL TECHNICAL SCHOOL  
OBION COUNTY BOARD OF EDUCATION  
UNION CITY, TN**

Dear David:

In accordance with our recent telephone conversation, we believe because the Scope of the Proposed Vocational-Technical School, and adjustment in our Fee Structure would be appropriate. We propose the following:

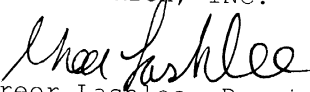

For Cost of the Work up to \$2,500,000.00	4.5%
For the next \$2,500,000.00 of Cost of the Work	4.25%
For Cost of the Work in excess of \$5,000,000.00	4.0%

After reviewing the Contract for the Classroom Additions, we find that the Contract had been specifically written for that job. Therefore, we are enclosing two (2) copies of a new Contract for the Vocational-Technical School. Please sign both copies, retain one (1) for your files and return the other to us.

We continue to look forward to working with you and your associates on this project.

Yours truly,

LASHLEE-RICH, INC.
