

For May Meeting

Mr. Huss,

I am requesting permission to surplus 2 vehicles. (1) Bus # 74 , 1995 Int. (2) 1994 GMC pick-up truck.

Bus- 1- year sub service remaining, but requires expensive repairs.

Truck- Over 200,000 miles on v-6 engine and not needed.

This reduction should help reduce insurance costs and upkeep expense *down*.
