Obion County Central Boys Basketball is seeking permission to dispose of a limited number of boys' basketball uniforms. We are asking for permission to sell these uniforms at a discounted price of \$10.00. The uniforms are 10 years old and outdated. We were budgeted for new uniforms during the 2009-2010 school year and will be purchasing them this spring. This will not affect and B-Team or Freshman, because there are sufficient uniforms for these student/athletes.

Thank you,
Tommy Victory
