Obion County Central Football Team is seeking permission to dispose of a limited number of jerseys. We are asking for permission to sell these Jerseys at a discounted price of \$25.00. These Jerseys are outdated and no longer used. New Jerseys have been budgeted and will be purchased in the summer of 2010. This will not affect the B-Team or Freshman, because there are sufficient Jerseys for these student/athletes.

Thank you,
Tommy Victory
