Obion County Board of Education:

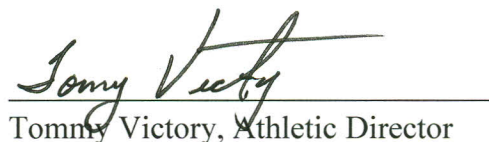

Due to the amount of time needed to manufacture uniforms and the tremendous savings for our athletic program, we ordered our 2010 football uniforms in March, 2010. We have requisitioned and issued purchase order number 74086 to Skeeter-Kell Sporting Goods in Kennett, MO, for this purchase in the amount of \$14,000. The uniforms will not be delivered or paid until after the end of the 2009 – 2010 fiscal year.

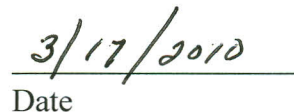

By ordering the uniforms in March, our football program will realize a savings of approximately \$4,000. In accordance with the *Tennessee Internal School Uniform Accounting Policy Manual*, which provides, "The local board must approve accounts payable that will not be liquidated during the current fiscal year," we are seeking board approval to carry this purchase order over to the 2010 – 2011 fiscal year.

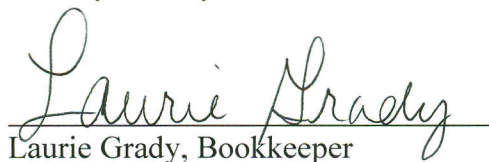

Thank you for your continued support.
