Obion County Board of Education:

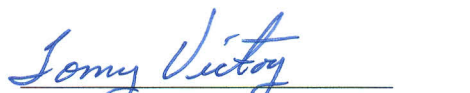

The Obion County Central Basketball Team is scheduled for new uniforms for the 2010-11 school year, but due to the time frame to manufacture and the tremendous savings for our athletic program, we are ordering our 2010-11 basketball uniforms in May of 2010. We have requisitioned and pulled a purchase order number 74218 to Skeeter-Kell Sporting goods in Kennett, Mo for this purchase in the amount of \$4,320.00 from our general athletic account budgeted for boys' basketball (823) and \$1000.00 from the boy's restricted account (760) to cover any overage. The uniforms will not be delivered or paid until after the July 1, 2010 physical year has ended.

The manufacture (NIKE) has informed us the uniforms will not be delivered until after July 1, 2010 resulting in a need to carry over our existing purchase order. We are seeking board approval to carry over the previous year's purchase order.

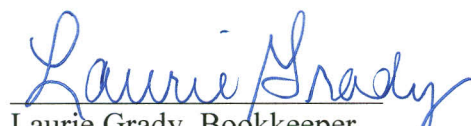

Thank you for your consideration on this matter.
