Executive Summary

GovConnection is a K-12 Education market leader. Our contract portfolio includes hundreds of school districts nationwide who have come to recognize and rely upon our demonstrated excellence of service and close affinity for the needs of the K-12 Education Information Technology market.

As premier Reseller of IT products, GovConnection has demonstrated award-winning excellence for quality service and on-time delivery nationwide.

GovConnection is a wholly owned subsidiary of PC Connection, Inc., which was founded in 1982. The PC Connection family, a Fortune 1000 company, currently employs over 1,500 people and has revenues in excess of \$1 Billion. GovConnection's philosophy is to offer a "best value" solution with a focus on Public Institutional Customers. We have a team of specialists dedicated to understanding how to serve the public and education marketplace, by providing technology products and solutions with award-winning service. We not only sell it, we can:

- Customize it
- Support it
- Service it
- Ship it

GovConnection works closely with IT, Academic and Administrative Departments on website purchasing development, campus integration standards, marketing plans, and streamlining purchasing procedures. GovConnection offers robust product lines, expert marketing and maintains an award winning reputation for comprehensive service.

GovConnection has strong relationships with over 1,400 manufacturers, including the original equipment manufacturers (OEMs) IBM/Lenovo, Panasonic, Hewlett-Packard, Kingston Technologies, Samsung, Tripp Lite, Belkin, Targus and numerous others. Our partner alliances are leveraged through our multiple successful contracts. These relationships, coupled with best commercial practices for delivery developed in conjunction with PC Connection, ensure that GovConnection will be able to meet any stringent delivery requirements of our customer.

GovConnection has a 99% ship rate and will ship most in stock items the same day the order is received. We offer customers a broad range of delivery options ranging from standard overnight and second day delivery to ground, time definite and truckload services. GovConnection uses standard small package and LTL carriers such as UPS, FEDEX, Roadway and Yellow to deliver shipments. Most orders shipped ground are at no charge and would be routed "Ground Best Way" via these or other carriers. GovConnection also arranges specialized transportation services such as inside delivery, package removal and product set-up.

GovConnection has attained industry leadership by adhering tenaciously to a high standard of quality – in our people, products, partnerships and technology. Despite our continued growth, at a rate of 30% year-over-year for the past three (3) years, we have never lost sight of the core of our success – **customer satisfaction**.
