B. TITLE I, PART A – Improving the Academic Achievement of the Disadvantaged

The Local Education Agency (LEA) hereby assures the State Education Agency (SEA) that the LEA will:

- 3. Provide technical assistance and support to school-wide programs.
- 4. Work in consultation with schools as they develop the schools' plan pursuant to section 1114 and assist schools as the schools implement such plans or undertake activities pursuant to section 1115 so that each school can make adequate yearly progress toward meeting the State student academic achievement standards and meet the requirements of the statute.
- 5. Fulfill such agency's school improvement responsibilities under section 1116, including taking actions under paragraphs (7) and (8) of section 1116(b).

- 8. - 13. Ensure, through incentives for voluntary transfers, the provision of professional development, recruitment programs, or other effective strategies, that low-income students and minority students are not taught at higher rates than other students by unqualified, out-of-field, or inexperienced teachers.
- 14. Use the results of the student academic assessments required under section 1111(b)(3), and other measures or indicators available to the agency, to review annually the progress of each Title I school to determine whether all of the schools are making the progress necessary to ensure that all students will meet the State's proficient level of achievement on the State academic assessments described in section 1111(b)(3) within 12 years from the baseline year described in section 1111(b)(2)(E)(ii).
