Subject: Surplus Softball Building

David,

I have a storage building sitting outside the centerfield fence of the baseball field. The building was use as a concession stand for the softball teams years ago. I moved it behind the baseball field. No one uses it and it is not in very good shape. I have had a man approach me about buying the building. It is about 10 years old and never used. Can we and what is the process I must do to sell the building. I am sure we would have to advertise it and take bids.

Let me know what I need to do to surplus this building and if I can.

Thanks,
Tommy
