Subject: Request for Multipurpose Bldg.

August 3, 2010

To: Mr.Huss and Obion County School Board

The OCCHS Quarterback Club is requesting permission to attach speakers inside and outside (in order to hear music on the practice field) of the multipurpose building. This issue is a request of our coaches and football players. Jason Kendall has also reviewed this matter and it is upon his suggestion that I am issuing this letter to obtain approval for installation of the speakers. We would like to have this completed as soon as possible and your consideration in this matter is greatly appreciated.

Thank You,

Tammy Patton
