

## New Truck Price Quotes From Our Local Dealers

---

We did not take bids on the pick-up truck we are purchasing because there are trucks to meet our specifications available through the state bid program. We did however allow our local dealers in Obion County to offer quotes on the specified trucks.

The truck available on the state bid program is available for \$22,948.

Herman Jenkins and Terry Petty did not offer a quote on the pick-up.

Kenton Chevrolet quoted one for \$24,995.00.

Union City Ford quoted one for \$21,939.72.
