To Whom It May Concern,

Sam's Club of Jackson appreciates the opportunity to place a bid on your copy paper supply for the upcoming school year. A copy of that bid is attached to this bid packet. The bid request received from your system requests a quote for 9600 reams, which is 960 cases of paper. Unfortunately, our truckload maximum quantity is 840 cases, stacked on 20-21 pallets. So, this is what we can do to make this work. We will quote you on the 960 cases of paper. With 840 cases coming by truck delivery to your location(s), we will also order another 120 cases of the same paper to be delivered to our Club in Jackson. While we will honor the same price as the truckload, we are unable to deliver those 120 cases to your requested site. We will be happy to hold the 120 cases here in our Club's receiving area until you are able to pick it up. I am sorry for the problem, but we can only work within the parameters of the maximum truckload. I hope this is not too much of a problem, and hopefully we will still be considered in the bidding process. If you have any questions, please feel free to give me a call @731-668-7985.

We appreciate the opportunity to do business with you,

John Robinson
