Subject: Scrap instruments

Mr. Huss,

In accordance with our conversation this morning as to the scrapping of instruments currently in the inventory of the Obion County Central Band Program, I am asking you and the board to allow me to sell the instruments which are not fixable to be sold as scrap and the proceeds to go to the band program at Obion County Central. The unfix-able instruments include: 2 clarinets, 2 bassoons, 3 trumpets, 4 french horns, and several pieces of percussion parts, (drum shells, lugs and strainers, etc.)

Thank you,
Jon W. Kerr
Band Director
Obion County Central High School
