Subject: sf baseball

Mr. Huss,

The South Fulton Baseball team is requesting permission to construct a concession stand/press box to be located at the SF baseball field. The building will be constructed with a wood frame, metal siding, and a metal roof. Cost is approximately \$5000. We are requesting permission only, as we are using funds from our facilities money and fund-raising money. Both Mr. Frazier and Mr. Graham are aware of our intentions and approve the construction. I have also spoke with Mr. Graham about building codes, electricity, etc. He said it should not be a problem. Upon approval, construction will begin immediately to be ready for the 2013 baseball season.

Thank you,
Jeremy McFarland
Head Baseball Coach
