
Amendment to 2013-2014 School Calendar

Background Information:

At this point in the school year, we have missed ten (10) snowdays as follows:

December 6, 9, 10; January 6, 9; February 3, 4, 5, 6, 7

We only stockpiled eight (8) days; therefore, we have two (2) days to make up. After getting phone approval from all board members, we made up one (1) day on Monday, February 17, 2014, (Presidents' Day) and plan to make up the other day on Friday, March 14, 2014, which was originally scheduled as a Professional Development day. Teachers and staff will make up that Professional Development day on Thursday, May 22, 2014, which is one day after school is out.

Staff Recommendation:

We recommend the approval of this amendment to the 2013-2014 school calendar
