

OPTIONS FOR MAKE-UP DAYS

Obion County Schools have missed a total of fifteen instructional days (12/6/13, 12/9/13, 12/10/13, 1/6/14, 1/9/14, 2/3/14, 2/4/14, 2/5/14, 2/6/14, 2/7/14, 3/3/14, 3/4/14, 3/5/14, 3/6/14, 3/7/14).

Eight days were stockpiled in this year's calendar for inclement weather. One day has already been made up on President's Day and another is scheduled to be made up on March 14. Five days remain to be made up. Listed below are some various options available to the Board:

1. Spring Break (4/14 – 4/18)
2. End of School (5/22 – 5/28 or 5/29)
3. Saturdays
4. Extra time per day
5. Any combination of the above

From an instructional standpoint, option 1 is the best choice. However, many people have vacation plans for that week.

Option 2 would be the least beneficial from an instructional standpoint, but people would have more time to adjust plans.

Options 3 and 4 could have a negative impact on support staff. Option 4 would also cost Food Service substantial revenue.
