Subject: Request to Declare Items Surplus

Mr. Huss,

We request that the Obion County Board of Education declare our old cheerleading uniforms to be surplus. In accordance with TCA 49-6-2007 (d)(1), we have found these uniforms to have a value less than \$250.00 or of no value. Furthermore, it is our desire to sell these uniforms and apply the money raised back into our athletic account to help offset the expenses incurred by future cheerleading squads.

Sincerely,
Travis Johnson
