To Whom It May Concern:

I have been requested to write a letter on the behalf of Ms. Kim Crews, faculty member at Obion County Central High School, with regard to performance. Ms. Crews teaches Science at OC, and has a great work ethic which affords her success in the classroom setting.

As a classroom teacher Ms. Crews has command of the subject matter and provides a classroom environment that fosters mutual respect between her and her students. Her classroom learning environment engages the students at the level in which they can be successful. She is patient and preservers with the teaching of her students.

She is dedicated to all students and is a trustworthy, caring, honest, and respected educator. She is of great value to Obion County Central. She is regularly at school giving instruction to students before and after school, so as to afford them some extra one on one help.

I recommend Ms. Kim Crews for continued employment. Should you have any questions, you may contact me at 536-4688 ext. 3520.

Respectfully submitted
