Patresa Rogers, Principal

September 24, 2014

Dear Mr. Davis, Mrs. Hamilton, and Mr. Hollowell,

This letter is a request for tenure for Mrs. Laura Robinson. Mrs. Robinson has shown to be a very important part of Hillcrest Elementary. Mrs. Robinson volunteers to work in many activities outside of the school day in order to help our faculty and students.

Mrs. Laura was the ESP director during the 2013-2014 school year and worked hard to build that program to a level that would play a positive role in the students' overall education and personal growth. This year she has had to step down as director due to time constraints but continues to work in the afterschool program to help with tutoring.

Mrs. Robinson teaches 3rd grade social studies and had a 7.9 in the growth measure area of the TCAP value added report. The average score was predicted to be 205.5 and was 214.3 which was 8.8 points higher than predicted. The average percentile was 60% which was 17% points above the predicted 43%. The students in her classroom scored above the state average.

Mrs. Robinson has an individual growth score of a 5 for the 2013-2014 school year. There is no individual score for the previous year however, she did have an overall educator effectiveness score of 5 for that year.

I am pleased to present this request for her to be granted tenure during the 2014-2015 school year.

Sincerely,

Patresa Rogers

Principal

Hillcrest Elementary
