To Whom It May Concern:

I have been requested to write a letter on the behalf of Mr. Lyle LaRue, faculty member at Obion County Central, with regard to performance. In the five years I have worked with Mr. LaRue at OC, I have seen a quality work ethic, and genuine caring for students.

While at OC he has assignments of Science, Driver's Education, Contemporary Issues, and is currently serving as a teacher in the Alternative Education setting. Mr. LaRue is also the girls basketball coach for OC.

As a classroom teacher Mr. LaRue has control of the class, and is knowledgeable of the subject matter of what he has been assigned. In his current position as Alternative Teacher he relates to the students in a respectful manner and builds relationships with these students who at times can be very trying. He has patience and perseverance with the students he encounters on a daily basis. He is in attendance daily and encourages students to be present, so as to continue their education in the Alternative setting.

I recommend Mr. Lyle LaRue for continued employment. Should you have any questions you may contact me at 536-4688 ext. 3520.

Respectfully submitted,

Linda Crigger, Principal
