Letter of Recommendation:

I am writing this letter on behalf of Mr. Nick Ritter in relation to his obtaining tenure status with the Obion County School District. I have observed and evaluated his performance in his classroom the past five years. He has performed his instruction and teaching strategies at a high level. Mr. Ritter is very professional in carrying out his duties in and out of the classroom. His last two years individual growth scores were a four and a five. It is, therefore, my pleasure to recommend Mr. Nick Ritter for tenure status with the Obion County School District.

Sincerely,

Keith Frazier

Principal of South Fulton High / Middle School
