

The South Fulton Baseball Team is requesting permission to be put on the September agenda for the school board meeting. We are asking to sell our surplus baseball uniforms for \$10-\$20 apiece depending on age and condition as a fundraiser for the purchase of new ones. Uniforms will be made available to current players and alumni first, then fans and students as school spiritwear. Thank you for your consideration on this fundraiser. If approved, sales will begin immediately at home football games.
