Mission Statement

It is the mission of the Obion County Board of Education to provide the best possible educational environment for every student attending schools under its jurisdiction. It is also the Board's belief that student dress reflects the quality of the school and affects the conduct of students through their class work. All students are expected to dress and groom themselves neatly in clothes and accessories that are appropriate for school activities.

The Obion County Board of Education has a responsibility to prepare students to take their place in society as mature, responsible adults. While the Obion County Board of Education desires to allow students flexibility in dress code, it is important that all students follow these guidelines in order to prevent stricter regulations.

A student's physical appearance must be clean, neat and not distracting. Students must adhere to the dress code on school buses. Parental judgment is suggested, but administrative judgment will take precedence. With this in mind, the following dress code is offered.

Basic Dress Guidelines for All Clothing

- All clothing must be without any visible pictures. Clothing must have no design, printing, or be made of printed-patterned fabric, except for small designer logo that can be covered by a 3 1/2-inch by 2-inch business card. The logo of the school being attended by the student is exempt from this size requirement.
- All items of clothing must be properly sized. No oversized or undersized shirts will be allowed. Pants must fit at the waist, be sized to fit, and must not be skintight, undersized, oversized, sagging, or dragging the ground or floor.
