Introduction:

The Obion County Board of Education is seeking bids for Networking Equipment. The bid will consist of different models of switches which must match the customer's current environment. The current customer's environment is all Extreme Networking equipment.

Note to vendor(s), this bid is for a specific product, and no other product will be excepted other than the listed products on page two of the bid. If any other information is needed please contact me at the above contact information.

Even though a quantity will be listed for this bid, the winning bidder agrees to honor the prices until end of the fiscal year "June 30, 2017". This will allow the Obion County School system to purchase additional quantities of the listed product throughout the school year if it is deemed necessary.

AWARD: Award will be based on best value. Award will be made to the most responsive, responsible proposer(s) meeting all specifications and which present the product that is in the best interest of Obion County Schools. Best value means more than low cost. It includes the initial cost, product quality, vendor support, warranty, and other factors detailed herein.
