1 The homebound instruction program is for students who because of a medical condition are unable to
 2 attend the regular instructional program.¹ The homebound instruction program shall consist of three (3)
 3 hours of instruction per week for a period of time determined, on a case-by-case basis, by the district.

4 To qualify for this program, a student shall have a medical condition that will require the student to be
 5 absent for a minimum of ten (10) consecutive instructional days, or for an aggregate of at least ten (10)
 6 instructional days for a student who has a chronic medical condition. The student shall be certified by a
 7 physician as having a medical condition that prevents him/her from attending the regular instructional
 8 program. The services provided to the homebound student shall reflect the student’s capabilities and be
 9 determined by the homebound instructor, after consultation with appropriate professional staff of the
 10 student’s assigned school.

11 Recertification shall be obtained after the expiration of each period of homebound instruction if the
 12 student’s physician certifies, in writing, that the student has a medical condition that prevents him/her
 13 from returning to the regular instructional program.
